Scott Weingarten, M.D., M.P.H.

“Clinical and Cost Improvement for Population Health Using Clinical Decision Support”

Date: Tuesday, April 2nd, 2013
Time: 12:00 p.m.– 1:00 p.m.

Location: The Schaeffer Center
3335 S. Figueroa St, Unit A
Los Angeles, CA 90089-7273

Scott Weingarten, MD, MPH is the Executive Consultant at Cedars-Sinai Health System. Scott was the co-founder, president, and chief executive officer of Zynx Health. Zynx is the source of clinical decision support for almost 2,000 hospitals in the United States. Additionally, he is a clinical professor of medicine (Step III) at the David Geffen School of Medicine at UCLA and the director of health services research at Cedars-Sinai Health System. Dr. Weingarten has also worked as a primary care physician at Kaiser Permanente. He is Board certified in Internal Medicine and a Fellow of the American College of Physicians. Dr. Weingarten has published approximately 100 articles and editorials on quality improvement and related topics. Dr. Weingarten won the President’s Award and the Golden Apple Teaching Award at Cedars-Sinai Medical Center. In 2009, Dr. Weingarten won the Cedars-Sinai Health System “Alumnus of the Year” Honor. He was on the executive committee of the board of directors of the Institute for Medical Quality. He served on the steering committee for the American Heart Association “Get With The Guidelines” program and the quality improvement committee of the board of directors of St. Joseph's Health System (14 acute care hospitals).

As one of the nation’s premiere policy research centers, the mission of the Leonard D. Schaeffer Center for Health Policy and Economics at the University of Southern California is to promote health and value in healthcare delivery through innovative research and policy, both in the United States and internationally.

The Schaeffer Center is a joint endeavor of the USC Sol Price School of Public Policy and the USC School of Pharmacy.
